CORE VALUES

Our Core Values are the bond that holds metarelics together.

We are just passionately curious about getting better in all walks of life. Our community is based around high quality art, value driven conversation and most importantly, immaculate vibes.

No one person is more important than the value of the collective. We empower a space that amplifies every voice throughout our community. The people that occupy our community will preserve our culture.

THE FOUNDERS

Metarelics is powered by Ikonick, founded by Jeff Cole & Mark Brazil in 2016. Ikonick is an inspirational art brand that blends nostalgia, pop culture, and motivational quotes to create unique canvas art that has attracted the attention of some of the world's biggest celebrities and garnered a cult-like following across the internet. Their exclusive collections are in over 300,000 homes around the world. Ikonick is backed by entrepreneurial giant Gary Vaynerchuk and Scooter Braun. The brand has secured licensing partnerships with iconic brands like Monopoly, NBA, Muhammad Ali, Peanuts, Upper Deck, and Smiley.

PRINT YOUR NFTS

The first product to come out of Metarelics is the ability to print your NFTs. Simply connect your wallet, choose your jpeg, and receive a high-quality canvas print. Powered by IKONICK, the business Jeff and Mark co-founded and disrupted the affordable art market.
